The genus name *Faecula* Fibiger, 2008 must be replaced by *Faeculoides* nom. nov. because *Faecula* Fibiger, 2008 is preoccupied by *Faecula* Slipinski & Lawrence, 1997, an Australian coleopteran genus. The genus *Faeculoides* comprises three species: type species *Faeculoides bifusa* (Fibiger, 2008), new combination; *Faeculoides plumbifusa* (Hampson, 1907), new combination; and *Faeculoides leucopis* (Hampson, 1907), new combination.
