

FOLDI, I. (2009) Archaeococcoid scale insects (Hemiptera: Coccoidea) from the tropical high mountains of the Andean Cordillera, South America. *Zootaxa*, 2300, 1–38.

On pages 1, 2, 6, 7 and 8 of the above-listed article the species-group name *Corandesia kozári* [sic] was described.

According to Articles 11.2 and 27 of the ICZN (1999) "No diacritic or other mark ... is to be used in a scientific name ...". In addition, Article 32.5.2 indicates "A name published with a diacritic or other mark, is to be corrected.". In accordance with Article 32.5.2 the species group-name *Corandesia kozári* is here replaced with *Corandesia kozari*.
