

MALUMBRES-OLARTE, JAGOBA & VINK, COR J. (2012) Redescription of *Clubiona blesti* Forster, 1979 (Araneae: Clubionidae) with a preliminary molecular phylogeny of New Zealand *Clubiona*. *Zootaxa*, 3277, 27–42.

On page 40, in Discussion; penultimate paragraph, last sentence:

The words ‘spotted’ and ‘striped’ should be swapped in the sentence:

'The spotted abdomen species includes *C. blesti*, *C. cambridgei*, *C. cada* and *C. clima*, whereas in the striped abdomen group are *C. convoluta*, *C. consensa*, *C. peculiaris* and *C. huttoni*.

The correct sentence is:

'The striped abdomen species include *C. blesti*, *C. cambridgei*, *C. cada* and *C. clima*, whereas in the spotted abdomen group are *C. convoluta*, *C. consensa*, *C. peculiaris* and *C. huttoni*.
